2. We have been requested to participate on the afternoon and evening of Saturday, 16 January. Inasmuch as Dr. Wheelon will not be available to participate at this time, he has asked that Carl Duckett make the over-all DD/S&T presentation. This will consist of a three hour session beginning at 1330 on the afternoon of 16 January. That evening, in accordance with past practices, there will be a two hour DD/S&T panel which will engage in a dialogue with the students. The panel will consist of Drs. Chamberlain and [redacted] Messrs. Duckett, Miller and Chapman.

25X1

3. Mr. Becker will make a separate presentation on computer matters on Friday morning, 15 January, and therefore will proceed independently.
